Ocean

“To be a world class market leader through business innovation, corporate values and operational excellence, while consistently satisfying customers and achieving business growth and profitability”

Ocean Glass is one of Asia's leading glass tableware manufacturers, providing an extensive range of quality glassware and services in all aspects of business, from retail and food service to decorated glassware. For more than two decades, Ocean Glass has aimed to produce glassware that are designed and manufactured to the highest level of functionality and quality.

Ocean believes in evolving from continuous tradition of excellence and innovation with the promise of high quality through the collections and various styles that offer excellent value to customers and services to all market segments.

The extensive range of our products includes tumblers, plates, bowls, stemware, glass jars, tea cups, beer mugs, etc., covering practically every item for table use.

The stringent quality control, effective management and the efficient teamwork have enabled us to achieve a significant position among glassware producers in Thailand as well as abroad.
