FACKELMANN®
HOUSEWARES

Pasabahçe is part of Sisecam Glassware based in Turkey and its focus is glassware design, production and sales. In the glass industry, Pasabahçe is the third biggest company in the world and second in Europe with its extensive and strong distribution network, wide array of products, exemplary production capabilities, and customer-oriented strategic approach.

Pasabahçe carries out its production operations in Turkey at the plants in Kırklareli, Mersin, Eskisehir, and Denizli, and abroad at the plants in Bulgaria and the Russian Federation. Today, Pasabahçe has 6,000 employees, and 65 percent

of its sales come from exports to 140 countries. “Pasabahçe” and “Borcam,” the lead brands of the company, along with “Pasabahçe Porselen” and “Pasabahçe Professional,” its sub-brands, allow Pasabahçe Cam to cater to the needs of three different groups –household, catering, and industrial- with over 20 thousand different products.

Pasabahçe aims to increase its penetration and the brand strength of Pasabahçe in new regions with high market potential, and to become the leading glassware company renowned and preferred globally for its products that add value to life.
