# Stanley Rogers

## Stanley Rogers – the modern traditionalist.

Stanley Rogers continues to be the most respected brand in premium stainless steel in Australia and New Zealand.

Stanley Rogers understands the fine art of balancing tradition with modernity. The brand takes its rich English heritage, traditions and values, with the modern sophistication of today - to create a timeless blend of modern elegance.

## Our Heritage.

With a heritage of more than 80 years, Stanley Rogers continues to bring quality products to our homes that enhance the cooking and dining experience.

### **A Rich Heritage.**

The Rogers name proudly dates back to the 1800s from England's famous silver smithing town of Sheffield. Sheffield, recognised for its leading silverware manufacturers produced high-end quality knives, cutlery and silverware for the world. Stanley Rogers, a Sheffield silversmith, arrived to Australia in 1926, where years later in 1930, established the company, Stanley Rogers & Son.

### **Stanley Rogers & Son.**

The iconic Stanley Rogers & Son made its mark by opening a retail store within the heart of Melbourne, Victoria. Over three generations, Stanley Rogers & Son operated as a family business for the next 70 years.

## Our Craftsmanship.

Quality craftsmanship since 1930.

Stanley Rogers employs sophisticated design and production methods so that every piece bearing the Stanley Rogers name reflects the proud tradition of quality craftsmanship, and a commitment to the highest standards.

## A commitment of quality & excellence.

Stanley Rogers has a proud tradition of quality craftsmanship with a commitment to the highest quality standards. Each Stanley Rogers product is designed to provide you with high quality performance and style that is guaranteed for years to come.

## ACACIA CHEESE KNIVES

**50762**  
**SOFT CHEESE LONG (6)**

The long narrow blade slices easily through the gooiest brie or camembert with minimal sticking. The acacia wood handle feels comfortable while adding a natural feel to your cheese platter.

**9313617507628**
**50763**  
**SOFT CHEESE (6)**

The hole in the blade reduces sticking when cutting soft and semi soft cheeses like fontina or provolone. The acacia wood handle feels comfortable while adding a natural feel to your cheese platter.

**9313617507635**
**50764**  
**HARD CHEESE (6)**

The hardest pecorino or parmesan is no match for this knife. The arched blade will cut through with ease. The acacia wood handle feels comfortable while adding a natural feel to your cheese platter.

**9313617507642**
**50783**  
**MINI CLEAVER (6)**

The wide blade is ideal for crumbly or semi-firm cheeses like aged cheddar or blue. The acacia wood handle feels comfortable while adding a natural feel to your cheese platter.

**9313617507833**
**50784**  
**SPREADER (6)**

The round blade is perfect to spread your favourite quince, pâté or creamy cheese. The acacia wood handle feels comfortable while adding a natural feel to your cheese platter.

**9313617507840****NEW**

## ACACIA CHEESE KNIVES

**50768**  
**SOFT CHEESE LONG (6)**

The long narrow blade slices easily through the gooiest brie or camembert with minimal sticking. The hollow stainless steel handle feels substantial yet comfortable and balanced.

**9313617507673**
**50768**  
**SOFT CHEESE (6)**

The hole in the blade reduces sticking when cutting soft and semi soft cheeses like fontina or provolone. The hollow stainless steel handle feels substantial yet comfortable and balanced.

**9313617507680**
**50785**  
**HARD CHEESE (6)**

The hardest pecorino or parmesan is no match for this knife. The arched blade will cut through with ease. The hollow stainless steel handle feels substantial yet comfortable and balanced.

**9313617507857**
**50770**  
**MINI CLEAVER (6)**

The wide blade is ideal for crumbly or semi-firm cheeses like aged cheddar or blue. The hollow stainless steel handle feels substantial yet comfortable and balanced.

**9313617507703**
**50771**  
**SPREADER (6)**

The round blade is perfect to spread your favourite quince, pâté or creamy cheese. The hollow stainless steel handle feels substantial yet comfortable and balanced.

## LIGHT WEIGHT CAST IRON FRYING PANS

This isn't your grandmother's cast iron pan. It's 50% lighter, highly rust resistant and the handle doesn't get hot like her's. Ideal for searing, browning and grilling.

- Lightweight cast iron retains heat in the thick base
- Anti-rust technology for easy maintenance
- Healthy chemical-free cooking, season to create a natural non-stick surface
- Induction and all cooktop compatible. Solid base gives optimum connectivity and heat transfer on induction cooktops
- Metal utensil safe
- Cool Touch, brushed stainless steel handles. Reduce heat transfer during cooktop use. Riveted for durability
- Hand wash only
