Hazelnut Flourless Chocolate Cake with Dark Chocolate Ganache

Preparation Time:
15 minutes

Baking Pan:
Wiltshire Square Pan 20cm

Cooking Time:
50 minutes

Serves:
12 - 16

Method

Preheat the oven to 180°C. Grease and line base and sides of your Wiltshire Square Cake Pan 20cm with baking paper.

To make the cake, place the eggs and sugar in the bowl of an electric mixer and whisk on high speed for 5 minutes or until thick and pale. Gradually add the cooled butter and chocolate then fold through the hazelnut meal and cocoa. Pour into the cake pan and bake for 45 minutes or until a skewer inserted in the center comes out clean. Cool in the pan for 15 minutes then remove onto a wire rack to cool completely.

To make the ganache, place cream in a small saucepan over medium heat and bring to just below the boil. Meanwhile, place the chocolate and olive oil in a heatproof bowl. Pour cream over chocolate and then set aside for 3-4 minutes until chocolate has melted.

Gently stir to form a smooth and shiny ganache. Set aside until cooled and thick. Spread over cooled cake and decorate with cherries, blackberries and hazelnuts.

Ingredients

- 6 eggs
- 2/3 cups caster sugar
- 150g unsalted butter, melted and cooled
- 200g dark chocolate, melted and cooled
- 250g hazelnut meal
- 1 tbsp cocoa sifted

Ganache

- 300ml pure thin cream
- 300g dark chocolate, chopped
- 2 tsp extra virgin olive oil

To decorate:

- Cherries
- Blackberries
- Hazelnuts chopped
