FLONAL®

COOKWARE

Flonal is part of the sound Italian industrial tradition. Since 1985, the company has been a point of reference in the production of non-stick aluminium cookware. The quality of the products and the careful investment in technological innovations have guaranteed its growth and influential presence also internationally. This leap towards new markets is harmonized with the quality that only a totally Italian company can guarantee.

DURA INDUCTION

+35%
MORE
RESISTANT

**HARD
LIKE
ROCK**

DURA INDUCTION AIMS FOR PERFECTION.

A premium pan in thick, forged aluminium Dura Induction is elegant and strong. It features a prominent rim which makes this pan solid and crushproof. The bottom is wider with a greater capability and a large cooking surface.

Dura Induction is compatible with all cooking hobs, including induction. The wide and ergonomic Bakelite handle has a soft touch finish and allows a safe and comfortable grip.

MAGMA-TECH PLUS CONSTRUCTION: HARDER AND MORE DURABLE

- Long life
- Non-sticking surface, metal tools proof
- Dishwasher safe
- Cooking surface easy to clean
- Suitability in case of allergy to heavy metals and nickel

PRIMER COAT, ULTRA-REINFORCED WITH MINERAL PARTICLES FOR MAXIMUM ADHESION

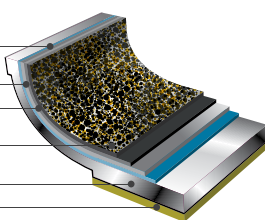

MID-COAT, ULTRA-REINFORCED WITH MINERAL PARTICLES FOR IMPROVED SCRATCH AND ABRASION RESISTANCE

TOPCOAT PROVIDES EXCELLENT RELEASE

STONE-EFFECT FINISHING, FOR IMPROVED ABRASION RESISTANCE AND NON-STICK PROPERTIES

FORGED BODY (98% ALUMINIUM), THICK ALUMINIUM BASE FOR BETTER STABILITY AND LONGER LIFE

PIETRA VIVA: TOUGH & DURABLE OVER TIME

MAGMA-TECH non-stick coating, applied in 5 layers, is designed to offer maximum wear and scratch resistance. Mineral particles are added to the coating to create a barrier that is protected even when using metal kitchen tools. A stone coating guarantees the maximum resistance and stable performances over time.

WATER BASED COATING GUARANTEES:

- Long life
- Non-sticking surface, metal tools proof
- Dishwasher safe
- Cooking surface easy to clean
- Suitability in case of allergy to heavy metals and nickel
