## ABOUT

Noble & Price provides stylish and sophisticated guest amenities. With a deep understanding of the accommodation and hospitality markets, Noble & Price have developed a superior collection to ensure your guests' stay exceeds their expectations. At Noble & Price, we recognised a gap in the Australian market; with that in mind, we created a range of guest amenities that suits any style and budget. Our focus was to develop a range of good-better-best products with a strong Australian background. At Noble & Price, we continually develop and evolve our range to keep up with current trends and hospitality needs, focusing on design, sustainability, and innovation.

Designed with exceptional quality in mind, Noble & Price supply everything your guests may need for an enjoyable stay. Drawing inspiration from international travels, our product portfolio has been inspired by the latest trends, delivering pieces that enhance any décor. Providing in-room conveniences such as kettles, irons, hairdryers, clothing hangers, ironing boards, waste bins and more. Feature stunning metallics, textures, and finishes that effortlessly compliment room interiors. This collection of guest amenities has met or exceeded the most rigid testing standards for the longevity of each item.

Embracing our responsibility to make a positive change for the future, Noble & Price continually adopt practices to help protect our environment. Developing products with lower wattage, recyclable packaging and smarter manufacturing processes reduce our carbon footprint.

Focusing on state-of-the-art design and superior guest service, our collections provide the finishing touches to your suite, hotel room or apartment. With a commitment to quality and excellence, Noble & Price deliver the perfect guest experience.

Clothing hangers are essential for keeping your guests' clothing organized. This collection is crafted using premium materials, offering a range of warm and dark timber finishes or luxurious black satin. The black satin hangers are slightly padded for delicate garments and suits. The soft corners are gentle on clothing and non-marking. Our series of birch or black wood hangers are contoured and solid for long term use. Featuring either a thick bar for pants to hang over or strong metal clips for superior grip, this range of hangers keeps your guests' garments wrinkle-free.
