

Colour Coded Jugs

When it comes to making a **delicious cup** of coffee, **precision matters**. With the rise in popularity in alternative milks, **Brew** introduces **colour-coded** milk jugs in two sizes, designed for **keeping your café counter in order**. From Skim to Soy and Oat to Almond, these **clever jugs** ensure coffee service runs smoothly.

STAINLESS STEEL

Designed for both form and function, our stainless steel products are made from the highest quality raw materials, and are built to last.

POWDER COATED

Durable and hard-wearing, powder coating uses dry powder that is heat cured to create a resilient outer shell, providing exceptional wear capabilities.

HAND WASH & FOOD SAFE

Non-porous and hygienic, these products are resistant to rust and corrosion. We recommend hand washing these products to maintain the powder coating.
