

Urban Serve

Meet Tablekraft's new **presentation collection**, Urban Serve. This stunning range features warm white hues, elegantly banded with **subtle neutrals**. The collection boasts **footed stands**, irregular platters, walled plates and **innovative** sauce solutions - perfect for **impressive event** buffets, bustling bakeries, **chic cafes** and beyond.

VITRIFIED PORCELAIN

Created in a two firing process, this porcelain becomes vitrified during the second firing, creating extremely durable dinner and serveware that stands up to repeated commercial use.

HAND GLAZED

Each piece is hand-dipped into the glaze from top to bottom, leaving a single band or natural porcelain around the rim and base of each piece, with unique variations forming individual character.

DISHWASHER SAFE

Our dishwasher safe items are guaranteed to stand up against regular commercial dishwashing without compromising their original quality.

Max. Diameter 125mm
Height 67mm

Care and Maintenance

Hospitality dinnerware handles a heavy workload, and while our ranges are designed for such usage, some **simple steps** can be taken to **prolong the life of your products** significantly.

VS

To prevent breakage and chipping, avoid:

- Improper loading in dish racks
- Piling heavy items on lighter items
- Stacking dinnerware too high
- Nesting cups
- Lack of protective matting on floor of the dishwashing area
- High water pressure in dishwashing machine
- No rubber guards on disposal unit or dishwashing machine
- Hand-washing operation

To prevent scratches & metal marking, avoid:

- Stacking hot, wet dinnerware
- Not regularly cleaning stainless steel benches
- Overworking dinnerware

To prevent unnecessary damage or loss when stacking

- Consider the size and type of your storage space
- Never stack items that were not designed for stacking
- Never stack drag (where the bottom of the top plate can hit the top rim of the next plate in the stack)
