FEATURING **STUNNING RED BANDING**, ROYAL PORCELAIN MAXADURA RESONATE RED BRINGS A **TOUCH OF COLOUR** TO THE TABLE. CRAFTED FROM **VITRIFIED PORCELAIN**, THIS DURABLE RANGE IS **DISHWASHER SAFE AND RESISTANT TO SCRATCHES**.

### VITRIFIED PORCELAIN

Made of clay that's malleable and great for forming detailed shapes. Created in a two firing process where it becomes vitrified during the second firing, making porcelain an extremely durable dinnerware option that is dishwasher, microwave, and oven safe.

### DUST PRESS COLLECTION

Extraordinarily hard and dense, this Dust Press collection is created using a dry powder compacted to produce a sturdy and solid substance. Using age-old processes, Dust-Press porcelain is much harder than ordinary porcelain.

### CLASSIC COLOUR

Our Classic Colour dinnerware is the perfect combination of elegance and grace, enriched with a subtle silky off-white hue. Its slight off-white tone sits comfortably against other Classic Colour collections.
